

Cash for Clothing, Shoes & Household items be green, get green

This BIG deal is a good deed!

Your donated items can be used to help Dixon Dance Academy and the Epilepsy Foundation.

For each donation received during our donation drive, Savers will pay each nonprofit. In addition to helping over 130,000 Chicago residents affected by Epilepsy.

You will also be supporting Dixon Dance Academy to help inspire their dancers to love exercise and performing on the Downtown Disney Stage!

Savers has a long history of supporting the community and we have put together a great opportunity for Dixon Dance Academy to raise funds. In addition to paying your organization for every pound of items you deliver, Savers will also pay our local nonprofit partners. Everyone wins!

Fill the Bag

...with these items:

- Clothing
- Shoes & Accessories
- Bedding, linens, & bath items
- Toys
- Household items
